APPLICATION DEADLINE: August 31st, 2021 at midnight

Applications may be accessed at [Submittable.com](https://www.submittable.com)
The grant period is October 1, 2021 through September 30th, 2022.

Mission: The Louisiana Division of the Arts (LDOA) in cooperation with the Louisiana State Arts Council (LSAC) is the catalyst for participation, education, development and promotion of excellence in the arts.

Vision: It is the responsibility of LDOA to support established arts institutions, nurture both emerging arts organizations and our overall cultural economy, assist individual artists, encourage the expansion of audiences and stimulate public participation in the arts in Louisiana.

Core Values: The arts are an essential and unique aspect of life in Louisiana to which each citizen has a right. Access to the arts should not depend on your geographical location, physical abilities, or income. All residents should have an equitable stake in the arts in Louisiana, which provide a wonderful quality of life and add to our rich cultural heritage.

LDOA Equity Statement: LDOA aspires to intentionally advance diversity, equity and inclusion in every aspect of our work. LDOA celebrates our state's diversity and promotes the role of the arts to connect people, bridge our differences, and inspire an appreciation of our shared humanity. LDOA is committed to integrating DEI into the fabric of our organization and our work, from our internal culture to how we partner with communities and other organizations to how we use our resources. We continually seek ways to expand our impact and improve our performance on these measures.

INTRODUCTION AND INTENT

The Louisiana Project Grants program is taking the place of the Decentralized Arts Funding program known as DAF. Since 1995, DAF procedures and processes hadn't changed. The Louisiana Division of the Arts has been listening to the voices throughout the state when it comes to this program, and we've got to be sure that the funds are being utilized to support the arts and **competitive, creative** projects.

So we've made some changes:

- This grant program will simply be called **Louisiana Project Grants (LPG)** and as the name indicates, will solely fund project assistance for community based arts projects.
- We've updated program goals, priorities, and evaluation criteria to reflect our renewed focus and intent.
- Dollars will still be allocated and administered regionally, but we're eliminating Parish boundaries.

We're honing in on community needs and the impact that an incredibly cool arts project can have. We want to see creativity, we want to see you shake it up, target new populations, take risks and collaborate with other parishes, organizations, and institutions.

These changes are exciting, challenging, and will take time...they are also important and necessary and we can't wait to see the impact your projects will have throughout our state.

Louisiana Project Grants are administered jointly by the Louisiana Division of the Arts (LDOA) and nine regional arts councils across the state. This program provides a system for funding arts projects in all regions of the state by giving artists, nonprofit arts organizations, nonprofit organizations, public and private schools, and local government agencies in each region the opportunity to develop arts projects that meet their local needs. The purpose of the program is to cultivate innovative arts projects that have a lasting impact within each region of our state.

Louisiana Project Grants are funded by the LDOA. Due to a substantial decrease in state general funds for the LDOA, Lt. Governor Billy Nungesser transfers \$1 Million from the Louisiana Office of Tourism to fund this program. Funds are provided to each region on a per capita basis utilizing the most recent U.S. Census figures. The Louisiana Division of the Arts oversees the Louisiana Project Grants program and disburses the funds to nine Regional Arts Councils (RAC), which in turn re-grant those dollars within their regions.

The Louisiana Project Grants program is administered by the following Regional Arts Councils:

- Region 1: [Arts Council New Orleans](#)
- Region 2: [Arts Council of Greater Baton Rouge](#)
- Region 3: [Bayou Regional Arts Council](#)
- Region 4: [Acadiana Center for the Arts](#)
- Region 5: [Arts & Humanities Council of Southwest Louisiana](#)
- Region 6: [Arts Council of Central Louisiana](#)
- Region 7: [Shreveport Regional Arts Council](#)
- Region 8: [Northeast Louisiana Arts Council](#)

- Region 9: [St. Tammany Parish Government Commission on Cultural Affairs](#)

See *Attachment A* to find your parish and the contact information for the Regional Arts Council that serves your area. Each region has its own schedule for workshops, draft review, panel review meetings, and other steps in the grant process. Please contact the Community Development Coordinator at your Regional Arts Council for more information.

RECOGNIZED ARTISTIC DISCIPLINES

Louisiana Project Grants provide funding for arts projects. The artistic disciplines described below are considered eligible art forms:

Dance

Dance projects can focus on ballet, modern, jazz or ethnic dance. Dance project grants assist artists and organizations to make innovative dance programs that meet a need in their community and are accessible to all.

Design

Design Arts projects can involve the design fields of architecture; landscape architecture; urban design; historic preservation and planning; interior design; industrial design; graphic design; and fashion design. This project area provides an opportunity for visual arts and design professionals to collaborate on projects involving design practice, media, theory, research, and education about design. Projects may include publications, audiovisual presentations, or conferences. Design arts do not include purchase of plantings, seeds, gardening equipment, construction equipment, or building supplies.

Folklife

Folklife refers to traditions currently practiced within a community that have been passed down

informally over time and not learned through workshops, classes, or magazines. Folklife includes **Performing Traditions** (music, dance, storytelling) and **Traditional Arts & Crafts** (occupational, festive and food ways traditions). *See definition of folk artist in the glossary.*

Folk traditions are created within specific cultural contexts that need to be understood to be appreciated. Most folklife projects are greatly enhanced with the services of a professional folklorist or other trained cultural specialists such as those with academic training in folklore, cultural anthropology, ethnomusicology or other related fields. Cultural specialists should be involved in planning and implementation phases of a project. Folklife does not include historical re-enacting or living history.

Folklife projects are evaluated for the cultural significance of the art form and the involvement of trained cultural specialists (folklorists, anthropologists, ethnomusicologists).

Literature

Literature project grants are intended to support innovative projects that utilize the literary arts such as works of poetry, fiction, and creative non-fiction to meet a community need and promote diversity, equity and inclusion. In addition, the category supports not-for-profit small presses and magazines that publish fiction, poetry, creative prose, or literary criticism for production and distribution projects. Such magazines must have been published at least once.

Media

Media project grants provide financial assistance to organizations and artists involved in film, video, radio, or related media. Projects should focus on the development of film, video, and radio as art forms where experimentation, technique and, creative processes are included in the project design.

Music

Music project grants assist artists or organizations sponsoring musical programming or the presentation and development of musicians, composers, and/or music ensembles and orchestras in all genres, including band, chamber, choral, ethnic, jazz, new, opera, orchestral, popular, solo/recital.

Theater

Theater project grants are intended to use dramatic and musical theater to engage the public, promote diversity, equity and inclusion and help meet a community need or support the development of nonprofit professional and community theater, puppetry, mime, and storytelling.

Visual Arts and Crafts

Visual Arts and Crafts project grants are intended to support projects or services of museums, art galleries, art centers, and other community organizations concerned with visual arts. This includes drawing, painting, printmaking, sculpture, photography, glass, ceramics, fiber, wood, metal, mixed media, and art in public places.

It is recommended that individuals or groups applying with a fiscal agent draft an agreement outlining the terms of the grantee/fiscal agent relationship. PLANNING THE PROPOSAL

Before beginning the grant application, consider the following:

1. Review the intent and priorities of the Louisiana Project Grants program. Is this a logical funding source for your project idea?
2. Think about the needs of your community. How is your project meeting a particular need? Does the project involve your community? How are you addressing diversity, equity, inclusion and accessibility? Find concrete ways to demonstrate this, such as letters of support to document community support and collaboration.
3. Involve your community in the planning of the project. Who will benefit from this project? What are the anticipated outcomes? How will you track those outcomes? Are you leaving space for learning?
4. Be realistic and specific in your plans. Talk to people you want involved in your project before you begin writing. Do they want or need the services your project offers?
5. Assess - realistically - the costs, personnel needs, and time requirements for your project.
6. Plan for ways to revise the project but still accomplish it if it receives partial funding.
7. Talk to the Community Development Coordinator for your region (See *Attachment A*).
8. Read the Louisiana Project Grants guidelines, again. Call and ask questions.

APPLICATION INFORMATION

All Louisiana Project Grant applications must be completed in the LDOA grant application system, [Submittable](#). Each applicant must create a user account in order to access the grant application. A link to the grant application system is also available on the LDOA website.

All grant applications must be submitted no later than Tuesday, August 31st, 2021 at midnight. The Regional Arts Council staff will review each grant application and verify that all required material has been completed and submitted as part of the grant application.

- Applications that do not contain all of the required materials will be considered incomplete and ineligible.
- Applicants who are not in good standing with the Louisiana Secretary of State and the Louisiana Legislative Auditor by the grant deadline will be considered ineligible.

- Applicants will be notified of their application status within a few weeks of the grant deadline. Applicants will receive the notification through the online grant system informing them if the application is complete and has been accepted, or if the application is considered ineligible.
- All eligible grant applications will be reviewed by a grant review panel.

APPLICATION ASSISTANCE

Grant workshops are offered by each Regional Arts Council to help applicants develop and submit persuasive proposals. The workshops cover eligibility, application requirements, and tips on how to submit a competitive application. Please contact your Regional Arts Council for dates and times of workshops. Contact information for Regional Arts Councils may be found in *Attachment A*.

The Community Development Coordinator is available to provide one-on-one assistance to help develop your application prior to the deadline. He or she will review drafts and provide comments to help strengthen your grant proposal. Please contact your Regional Arts Council for the draft deadline for your region.

MANAGING A GRANT AWARD

AFTER THE GRANT APPLICATION IS SUBMITTED

After the Project Grants Deadline, the Regional Arts Council staff reviews the grant applications. The Regional Arts Council determines whether the applicant and the proposal are eligible and that the application complies with Louisiana Project Grants guidelines. The application review process will take several weeks to complete. If the application is considered to be complete and eligible, the online grant system will be updated to show that the application has been accepted. If the application is considered to be ineligible, the online grant system will be updated to show that the grant is ineligible and not accepted. You may check the status of the grant application in [Submittable](#).

HOW ARE FUNDING DECISIONS MADE?

All eligible grant applications are reviewed by a Review Panel made up of members of the region. The Regional Review Panel reflects the region's ethnic, demographic, and geographic diversity in addition to having the artistic and administrative expertise needed to evaluate applications. The panel members will review applications online, and then will convene to discuss the applications and make funding recommendations based on the evaluation criteria. To avoid conflicts of interest, the employees and paid providers of service of applicant organizations will not be allowed to serve as panel members. Board members of applicant organizations may serve, but must recuse themselves by physically leaving the room when those applicants are discussed and voted on. Other reasons for recusals are: a panelist's immediate family is a board member or the panelist has some other close affiliation or potential bias with an applicant organization.

WHAT HAPPENS NEXT?

1. Award letters will be sent to each grant applicant that has been awarded a grant. Two things must happen before the award letters are sent:

- The Louisiana Division of the Arts must have an approved budget for the 2021-2022 fiscal year
 - The Regional Arts Council's Board of Directors must approve the funding recommendations made by the Review Panel
2. You will enter into a contract with the Regional Arts Council. Applicants who receive partial funding should be prepared to revise the plan and budget accordingly. Once the contract has been signed and approved by all parties you will receive your first payment of 75 percent of your grant award, pending the Regional Arts Council's receipt of funds from the Louisiana Division of the Arts.
 3. If at any time the scope of the grant changes, contact the Community Development Coordinator in your region to submit changes. If you are unable to complete the project for which you're funded or if you will not use all of the grant funds awarded, immediately contact the CDC in your region. The grant funds can be reallocated to another grantee if notification is received early on.

OTHER REQUIREMENTS

- **Notification of Grant Funded Activities**
You are required to notify staff of the Regional Arts Council prior to any project events funded by the Louisiana Project Grants Program. You should also invite those individuals responsible for funding your project, including local and state elected officials from your town or region and the Louisiana Division of the Arts.
- **Acknowledgement Statement**
The grant agreement will contain a section regarding a credit statement and logos. The official logos of the Office of Cultural Development/Division of the Arts and the National Endowment for the Arts (NEA) shall appear in close proximity to the name of the grantee organization in ALL publicity, advertising, and programs along with the following statement: **"Supported by a grant from the Louisiana Division of the Arts, Office of Cultural Development, Department of Culture, Recreation and Tourism, in cooperation with the Louisiana State Arts Council, as administered by the (Name of the Regional Arts Council). Funding has also been provided by the National Endowment for the Arts."** Additional crediting statements may be added.

FINAL REPORT REQUIREMENTS

The Final Report documents the project funded. Information in the Final Report compares the original information contained in your application with what actually happened as a result of your project. At this point, we want to know what was learned; how many people benefited; what were the results? What was the intent of the project and was it achieved? Keep in mind the priorities of the Louisiana Project Grants program and the evaluation criteria.

During the course of your project, you are responsible for keeping track of activities and financial information related to the project for which you received state of Louisiana grant

money. You must keep copies of all receipts, invoices, check numbers, and cancelled checks. In addition to financial and budget tracking, you will also be responsible for keeping track of *Performance Indicators*. *Performance Indicators* are evaluation tools used to determine the effectiveness of your project and to evaluate the use of state of Louisiana grant funding. You will be asked to provide information about groups who were impacted as defined by age, race/ethnicity, and distinct groups (individuals with disabilities, individuals in institutions, individuals with limited English proficiency, youth at risk, individuals below the poverty line, or military veterans/active duty personnel). Also you will provide the physical address for all project activities funded. This information will be compiled at the end of your project or the end of the Louisiana Project Grant program fiscal year in the Final Report. The Final Report must be submitted through [Submittable](#).

Once you have submitted the Final Report with all required documentation and it has been approved, you will receive the final 25 percent of your grant award. Final Reports must be submitted no later than thirty (30) days after completion of services or October 31, 2022, whichever comes first. Final payments will not be issued until the Regional Arts Council receives final payment from the LDOA, usually by June 30th.

If the Regional Arts Council determines that a grantee has failed to comply with the terms and conditions set forth in the agreement, that grantee shall become ineligible to receive its final payment of 25% of the grant award. Recipients in noncompliance status may also be asked to return all or some of their initial grant payment. For a year following a determination of noncompliance, the grantee will be ineligible to apply to the Louisiana Project Grants program.
