

STUDENT ARTS EXPO 2020

WHAT IS STUDENT ARTS EXPO?

The Student Arts Expo is an annual event designed to increase public knowledge and appreciation of the arts by and for the youth of the community.

The Student Arts Expo is a joint effort of the Acadiana Center for the Arts and Lafayette Parish School System, with support from Downtown Lafayette. These agencies are working together to pair businesses willing to offer a space with a school group seeking a host site for a visual arts exhibit on Saturday, April 4, 2020 from 10:00am–5:00pm.

This successful event connects our community to the downtown area and supports the dedication of our students in the visual and performing arts.

HOW CAN WE PARTICIPATE?

To continue to highlight the arts in our schools, we need your help! In exchange for the use of your facility as a gallery or performance space, your business will be listed in all marketing as a host partner of the Student Arts Expo. Marketing includes broadcast, print, and social media.

CAN WE PARTICIPATE IN ANOTHER WAY?

If you can't be a host site, but want to help celebrate the arts in our schools, we have volunteer and sponsorship opportunities available to support public knowledge and appreciation of the arts by and for the youth of the community. Contact Paige Krause to find out how to get involved.
