

Pelicans on Parade Submission Guidelines

Why a Pelican? In 2000, Acadiana Center for the Arts worked with artist David Fox and students at public elementary schools served by AcA's arts education programs to design the first "Pelicans on Parade." In 2021, AcA re-introduced the Pelicans on Parade as part of an annual fundraiser, the Pelican Ball, where new, unique pelicans are auctioned off as part of the benefit for arts education in Acadiana.

Artist Eligibility: Only artists living or working in the eight-parish Acadiana region are eligible, including Acadia, Evangeline, Iberia, Lafayette, St. Landry, St. Mary, St. Martin, and Vermilion parishes.

Two Kinds of Pelicans:

1. **Large Pelican:** The classic "Pelican on Parade" stands approximately 4 foot high pelican and is constructed of fiberglass. Selected artists decorate the pelican with paint or any creative method and seal the final piece with a weather-resistant clear-coat. One large pelican will be commissioned from valid submissions.
2. **Small Pelican:** A small pelican stands 12 inches tall and is bisque-fired slip cast ceramic. Selected artists decorate the pelican with paint and clear-coat OR glaze and fire the ceramic. Up to six small pelicans will be commissioned from valid submissions.

Selection Criteria: Proposed designs will be reviewed and selected by AcA based on (1) originality, (2) compliance with Design Criteria, (3) and local/regional cultural relevance. Artists will be notified if and when their designs are selected by August 30, 2024.

How to Submit a Proposal: The submission deadline is August 15, 2024. Submission will be collected only through the portal here: acadianacenterforthearts.org/pelicanball

Included with the submission:

- Proposed designs must use one of the templates provided. (Templates are available for both the large and small pelicans).
- Artists may submit multiple proposed designs using the provided templates.

Schedule: If selected, the artist takes possession of a pelican from AcA, decorates, and returns it in a completely finished state by no later than October 15, 2024.

Compensation: If selected for a Large Pelican the fee for this service is \$500, and if selected for a Small Pelican, the fee for this service is \$200. Payment is due from AcA on delivery of the finished piece. Artists whose designs are chosen will receive one complimentary ticket to the Pelican Ball on Saturday, December 7, 2024.

Additional Pelicans: A large blank pelican (the "Ghost Pelican") will be available during the live auction. The winning bidder may select the design from among the additional submissions and may include some specific requests or revisions to an artist's proposal. AcA will contract the selected artist for the ghost pelican for a fee of \$500. If selected, the artist agrees to take possession of a pelican from AcA, decorate, and return in a completely finished state by no later than March 1, 2025.
