Acadiana Center for the Arts transforms Downtown Lafayette into a *beer-centric* street festival!

Gulf Brew is Acadiana Center for the Arts' longest-standing fundraiser, celebrating 17 years of bringing the community together for the love of beer and the arts!

With over 200 types of beer to sample, craft vendors selected by the Louisiana Crafts Guild, live music, a Family Fun Zone, and a VIP experience, there is something for everyone at Gulf Brew!

AcA becomes the VIP Lounge, featuring a cool space to watch and listen to music on the main stage, complimentary food and beverages, a football watch party in the James Devin Moncus Theater, and access to VIP restrooms!
